**As of 20<sup>th</sup> May 2020, the Royal Government of Cambodia has mandated a 14-day quarantine for all travelers, both Cambodian and foreign nationals, for entry into Cambodia.**

Upon arrival in the Kingdom of Cambodia, all passengers must undergo a **thermal scanning**. They must present their **health insurance voucher** with the **minimum medical coverage of 50,000USD** (fifty thousand US dollars) and **make a deposit** (by cash or credit card) of **3,000USD** (three thousand US dollars) with a designated commercial bank at point of entry. The deposit will be deducted for payment of any services during the implementation of health measures.

Then passengers will be accompanied to designated holding centers for **Covid-19 testing**, and wait up to **24 hours** for their results before being allowed to enter the country.

- **If one or more passengers are tested positive**, all passengers of the same flight will be subjected to a 14-day quarantine at a designated location by the Inter-Ministerial Committee to Combat Covid-19.
- **If all results are negative**, all passengers will be permitted to a 14-day self-isolation at their respective home under supervision of the local authorities and health officials. In addition, they are required to take a Covid-19 test on the 13th day of their self-isolation either at the Khmer-Soviet Friendship Hospital or at their designated provincial hospital.

**All foreign nationals are financially in charge of their quarantine expenses.**

## **The following travel restrictions remain in effect:**

- Suspension of visa exemptions and tourist visa (type T) including e-visas and visas on arrival. **Any holders of foreign passports require a valid visa for entry into Cambodia. This Visas can be obtained from any Cambodian diplomatic missions/embassies abroad.**
- All foreign nationals are required to possess Health Certification (in English or French) indicating a **negative COVID-19 status** within **72 hours prior to the date of departure**. This certificate should be issued by competent and licensed health authorities of their residing country
- All foreigners must provide proof of Health Insurance Documents with a **minimum medical coverage of 50,000USD** (fifty thousand US dollars). These requirements do not apply to holders of **Cambodian diplomatic visa (Visa A)** and **official visa (Visa B)**.
